Following Mawson derailment on Quairading line and subsequent wagon recovery, services were suspended on this Tier3 line and was closed from October 31st owing to its poor condition. West Merredin Trayning line Tier3 line that had not seen any traffic since August then only to Nungarin CBH bin was also closed at same time owing to its poor condition. Services will remain on rest of the Tier3 lines till end of June 2014 while CBH and Brookfield Rail continue negotiations as to their long term future. SCT ran three CSR locomotives on 5MP9/1PM9 service to Forrestfield on October 13th the first time these units have run in WA. The final two SD70ACe units for FMG 720 and 721 arrived at Port Hedland October 27th. EMU set 096 arrived from builders in Qld October 29th.
