The quarterly AK car inspection train again ran in mid February with Aurizon locomotives operating the train to Leonora, Esperance then thru to Forrestfield, Fremantle and Kwinana. G&W locomotive again hauled the inspection train into and out of West Kalgoorlie from the ATRC network. Final six RHA001-RHA006 of initial delivery of 14 Roy Hill locomotives were discharged from MV Drago J at Town Wharf Port Hedland between 4th and 6th February. Delivery of Roy Hill GA type ore cars commenced in mid February with these cars being stored at various sites around Port Hedland. Australind railcars continue to have problems with services cancelled few times during month extensive repair was undertaken on ADP102 that saw it run two works trials to Cannington on February 11th. 6012 was reconverted to ACA6012 on 13th.
