

West Australian Rails

NUMBER 2_02 A free monthly photo e-Mag of railway happenings in WA during February 2018

PUBLISHER Peter Donaghy Email: peterdonaghy2@bigpond.com Copyright: Peter Donaghy © 2018

Both wearing the new corporate colours, S3302 and S3311 haul 7271 lime train through Keysbrook, February 17th.
Photo: Jim Bisdee

This is the second February edition, covering the latter half of the month. One correction to the previous edition: the ten DBZ locos were purchased by CBH Group, not Watco. The two incorrect captions have been revised and the updated issue has been re-posted to be correct for any future reference.

S3309 on 7323 empty alumina, Keysbrook, February 17th.

Both photos: Jim Bisdee

S3310 leads 7944 bauxite from Calcine to Alcoa Kwinana through Keysbrook, February 17th.

SCT010 & LDP002 depart West Kalgoorlie with 5MP9, February 17th. Photo: Peter Donaghy
